Parents, Caregivers & Guardians:

Welcome to the 2019-2020 school year at James Russell Lowell! Our staff is excited for a new year and the many exciting opportunities and challenges that can bring. We look forward to building on last year’s many successes and expect many more in the new school year.

While there are many things that we can do as a staff to help your student be successful, we need your help and support to truly see your child grow and succeed. We want to work with you to make this a successful partnership for the benefit of our children. You can help your child be successful each day and help us support them by doing the following things:

1. Make sure you child is at school ready to learn: Rested, On Time, and In Uniform.

2. Keep open lines of communication with your teacher: Things will come up, but make sure that we are aware of what is going on at home and we will do the same. WE ARE A TEAM!

3. Participate at James Russell Lowell- Attend school events; parent nights, sporting events, musical performances and look into being a volunteer. If you are here, your child KNOWS school is important.

We want James Russell Lowell to be a source of pride for our students, teachers, families, and community. Help us “RESTORE THE ROAR” at our school and make the kind of neighborhood school that every student deserves!

We look forward to an amazing year at James Russell Lowell, if you ever have any questions, please contact your classroom teacher, if I can help you, I can be reached at 317-226-4251 or email me at lumbleyw@myips.org.
