12th Grade Shortridge High School IB Career Programme

IB Career Programme students enroll in a two-year course called Personal & Professional Skills, enroll in at least one primary Career Related Study (CRS) course all four semesters of 11th and 12th grade, enroll in at least two DP courses (DP Lang & Lit & one other) which cannot be your foreign language class or CRS class, and enroll in a foreign language for 11th grade. Students may choose additional electives or sign up for an internship senior year.

- Course 1** DP English Language and Literature HL
- Course 2*** Continue your foreign language **-OR-** Any elective
- Course 3** DP History of the Americas SL (unless DP HOA SL passed previous year with a 3 or higher)
-OR-
Any Elective
- Course 4*** Circle your primary Career Related Study (CRS):
- | | |
|---|--------------------|
| Art | Instrumental Music |
| Communications (Radio TV/Student Media) | JROTC |
| Dance | Theatre |
| Engineering | Vocal Music |
- Course 5** Choose one of the following:
- Algebra II / DP Math Applications SL**
 - DP Math Applications SL
 - DP Math Analysis SL
- Course 6*** 2nd Career Related Study (CRS) course (at the level you are ready for):
- | | |
|---|--------------------|
| Art | Instrumental Music |
| Communications (Radio TV/Student Media) | JROTC |
| Dance | Theatre |
| Engineering | Vocal Music |
- Course 7** Personal & Professional Skills
- Course 8*** Any elective

Senior year is a good time to:

- 1) Explore other electives that compliment your CRS that are of interest
- 2) Develop an internship with a community partner or business*
- 3) Recover credits needed for graduation, if needed

*Courses offered dependent upon student selection

**Students who have not taken Algebra II must choose this option.
