

How Students Access Clever on a Chromebook

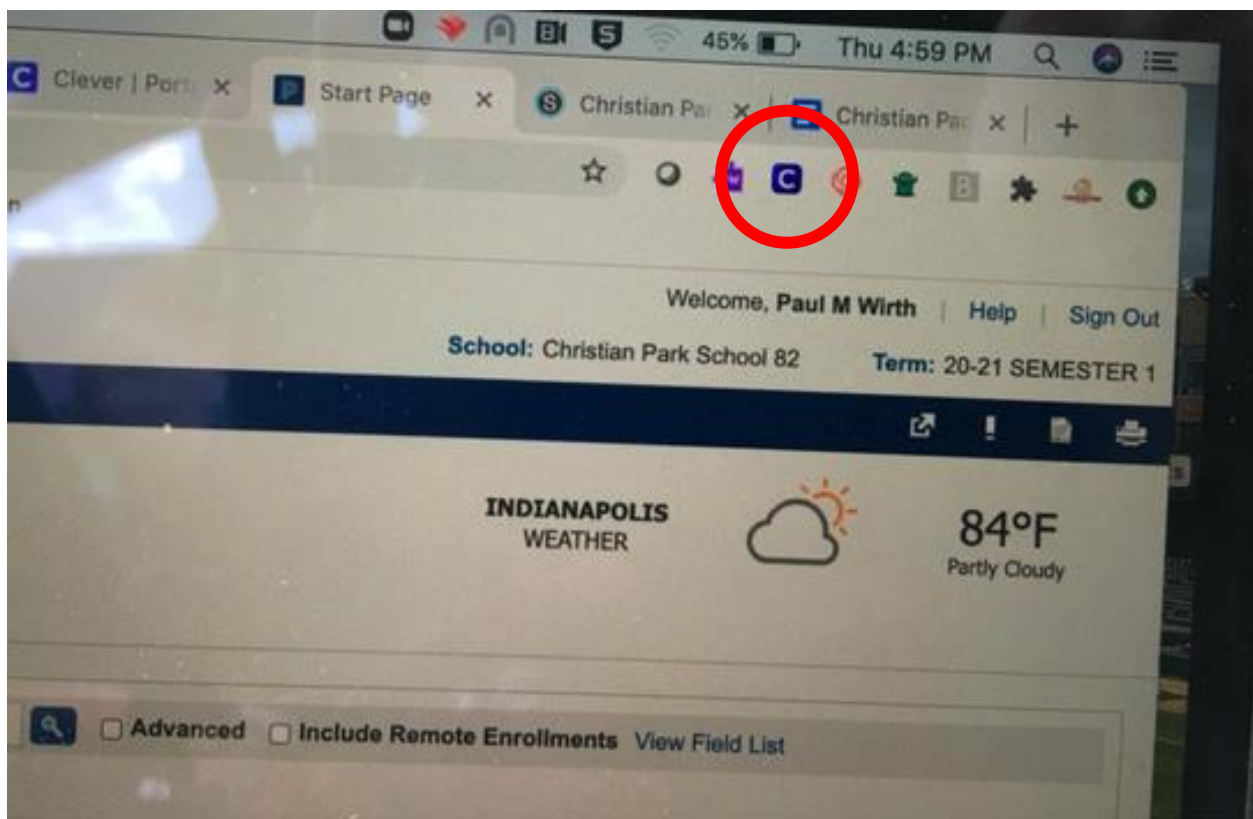

Clever is the single sign-on software for Indianapolis Public Schools. Clever allows for teaching and learning materials, district technology platforms, and information to be streamlined.

For students to get to Clever via a Chromebook computer:

Step 1: Open Google Chrome web browser

Step 2: Once browser window is open, select Clever extension in the browser toolbar (C)

Step 3: Student logs into Clever (C) with their regular school credentials.
