USDANUTRITIONSTANDARDSFORALLFOODSSOLDINSCHOOL-EffectiveJuly1,2014

Nofoodsmaybeincompetitionwithschoolmealsintheserviceareaorcafeteriaduringmealservice.
Thefollowingmandatorystandardswillapplytofoods sold to students on the school campus outside of the federally
reimbursed school breakfast and lunch programs. Campus is defined as all areas of the property under the jurisdiction
of the school that are accessible to students during the school day. The standards will apply from midnight before until
30 minutes after the official day in public schools that participate in federal school meal programs.

All competitive foods sold must meet all Nutrition Standards plus one of the Additional Requirements

<table>

Additional Requirements

In addition to meeting all of the nutrition standards listed above, a competitive food item must:
1. Be a grain product that contains 50% or more whole grains by weight or have whole grains
   as the first ingredient*; or
2. Have as the first ingredient* one of the non-grain main food groups: fruits, vegetables, dairy,
   or protein foods (meat, beans, poultry, seafood, eggs, nuts, seeds, etc.); or
3. Be a combination food that contains at least 1/4 cup fruit and/or vegetable; or
4. Contain 10% of the Daily Value (DV) of a nutrient of public health concern (i.e., calcium,
   potassium, vitamin D, or dietary fiber). Effective July 1, 2016 this criterion is obsolete and may
   not be used to qualify as a competitive food.

*If water is the first ingredient, the second ingredient must be one of the above.

Notes:
● Reduced fat cheese, nuts, seeds, nut/seed butters, and products consisting of only dried fruit with nuts and/or seeds
  with no added nutritive sweeteners or fats are exempt from the total calories from fat and calories from saturated fat limits.
● Dried/dehydrated fruits and vegetables are exempt from the sugar by weight limit.

Fundraisers

● The IN DOE has established a limit of two fundraisers per school building, per year, for fundraisers involving the sale
  of foods and/or beverages not meeting the nutrition standards. The maximum duration of an exempted fundraiser is
  one day.
● All foods & beverages that meet the regulatory standards may be sold at fundraisers on the school campus during
  school hours.
● Standards do not apply to items sold during non-school hours, weekends, or off-campus fundraising events.
● School district may institute additional standards.

Administrative Provisions

● LEAs and SFAs must maintain records such as receipts, nutrition labels and product specifications.
● LEAs must maintain records for all competitive food sales not sold under the school foodservice account.
● State agencies (SA) will monitor compliance through a review of LEA records as part of the SA administrative review.
● If violations occur, technical assistance and corrective action plans will be required.
