WHAT IS THE HOME LEARNING PLAN?
The IPS Home Learning Plan is a hybrid approach to teaching and learning that will ensure continuous learning during extended school closures due to COVID-19. For IPS high school students, the Home Learning Plan utilizes the e-learning platform that allows students to access resources and materials, but also get the instruction, feedback and conversation that are critical for sustaining learning over longer periods of time.

CONTENT DELIVERY:
Students will have access to digital materials and instructional activities so they can remain engaged in learning during their home learning experience. The Home Learning Plan resources will be designated as Core Materials or Supplemental Materials that will support student learning. Core Materials will be used as the main instructional content for all students in a designated grade level and Supplemental Materials will be available for enhancement and enrichment activities, conducting research, or recreational reading.

**Grades 9–12 Core Materials:** Edmentum, Schoology, Google Classroom

**Grades 9–12 Supplemental Materials:** Khan Academy, EVERFI, Gizmos, Duolingo, and additional teacher-selected resources

STUDENT SCHEDULE:
- The first two days of Home Learning are Thursday, April 9, and Friday, April 10.
- Beginning April 14, Home Learning Days are scheduled for Tuesday–Thursday each week.
- Beginning April 13, Mondays and Fridays will be Teacher Work Days each week.
- Students will follow this schedule until further notice from school administration.
- Questions about Home Learning start and end times should be directed to your school’s administration.

✉️ **Student Email Access:** Students will be assigned Home Learning courses based on their current high school schedule. At the beginning of Home Learning instruction, students will receive a welcome email to their IPS email account that provides instructions on how to log in to Edmentum, Schoology, or Google Classroom and complete their courses.
If you do not know your student email address, it is your **IPS Student ID + @students.myips.org** (Example: **000000@students.myips.org**).

The email password is the same as your IPS network password used to log into school computers.

Students can access their IPS email accounts at: [https://outlook.office.com/owa/myips.org](https://outlook.office.com/owa/myips.org).

Students should log in to Edmentum/Schoology to complete assignments as instructed through their pacing guide and teacher guidance.

**Teacher and School Staff Support Available:** Students will be able to send messages to their teachers in Edmentum, Schoology, or Google Classroom. They can also send messages to their teacher’s IPS email account to request academic assistance. Teachers will respond to all student requests in a timely manner via email, phone calls, Edmentum, Schoology, Google Classroom, etc.

Additionally, school support staff including counselors, social workers, graduation coaches, special education teachers and ESL staff will check in with students to monitor academic progress. If students need teacher support, they should reach out to their teacher or any of the above staff members, through their IPS email account.

**PLATO SUPPORT AVAILABLE TO PARENTS AND STUDENTS**

- [https://www.edmentum.com/support](https://www.edmentum.com/support)
- 1.800.447.5286
- Plato staff will support both login and usage questions.

**SCHOOLEY, GOOGLE CLASSROOM AND CLEVER SUPPORTS AND LOGIN**

- To log in: Your Student ID is your username; your birthdate is your password
- Birthdate format: dd/mm/yyyy, INCLUDING the /s BUT with NO leading zeros
- For additional support, please call 317.226.4000.

**Student Meals:** To receive the most up-to-date information about student meal service during Home Learning Days, please visit the IPS website at: [https://myips.org/about-us/covid-19-ips-response-plan/](https://myips.org/about-us/covid-19-ips-response-plan/)
