

choose **IPS** | **IPS High Schools Are All-Choice!**

Indianapolis Public Schools (IPS) offers nine all-choice high school options, providing the right fit for every student.

Each high school offers distinct academic programs (including a variety of college and career academies) and extracurricular activities. Students can choose their preferred high school based on their career paths, not because of where they live.

Every 8th grade student MUST apply to one or more of the following IPS all-choice high schools for the 2021–22 school year through the two-round Choice Application Lottery, which runs Oct. 30, 2020 – April 30, 2021.

Arsenal Technical High School

1500 E. Michigan St., Indianapolis, IN 46201

- Five college- and career-themed options (Career Technology Center, Construction, Engineering & Design Academy, Law & Public Policy, Math & Science, and New Tech).
- A Freshman Academy for all ninth-grade students.
- An on-site Future Center, which assists students in setting and obtaining postsecondary goals through mentorships with community, collegiate and military partners.

NOTE: The Teaching, Learning & Leading Academy will move from Crispus Attucks to Arsenal Technical High School for the 2022–23 school year. Rising Freshmen (current 8th graders) may choose this academy at Arsenal Technical High School for the 2021-2022 school year.

Christel House South @ Manual

2405 Madison Ave., Indianapolis, IN 46225

- A holistic approach to teaching students, driven by a greater purpose to end the cycle of poverty.
- Students graduate with Academic Honors Diplomas at a higher rate than their peers, and 100% of graduates are accepted into 4-year universities.
- Graduates also have the potential to earn a full 4-year scholarship to the University of Indianapolis.

Crispus Attucks High School

1140 Dr. Martin Luther King Jr. St., Indianapolis, IN 46202

- Small classrooms with individualized attention, where students are known and celebrated for their unique abilities.
- An average graduation rate that exceeds 99 percent. At Herron, 100 percent of graduates in recent classes have been admitted to a four-year college or the military.

KIPP Indy Legacy High School

1740 E. 30th St., Indianapolis, IN 46218

- An emphasis on college-readiness and in-college support via the KIPP Through College program. Students begin college counseling in Grade 9, continuing with ongoing support and counseling until college graduation.
- A focus on career exploration that ensures students are exposed to diverse career options prior to graduation.
- Rigorous classes, ensuring students are taking Pre-AP and AP classes from Grades 9–12.

Riverside High School

3010 N. White River Parkway East Drive, Indianapolis, IN 46208

- A culture and curriculum duplicated from the award-winning Herron High School.
- A world-class classical, liberal arts and sciences curriculum with a focus on college preparation. Riverside also includes a full array of sports and club offerings.
- Small classrooms with individualized attention, where students are known and celebrated for their unique abilities.

Purdue Polytechnic High School

49 W. Maryland St., Indianapolis, IN 46204 (*Downtown location only*)

- An educational model where students learn by doing and creating solutions to real-world problems, and by working on large challenges with community partners.
- A small class environment, offering students more one-on-one time with teachers.
- Graduates who have qualifying test scores can gain direct admission into one or more colleges at Purdue University in West Lafayette, and are given the opportunity to earn scholarships.

Shortridge High School

3401 N. Meridian St., Indianapolis, IN 46208

- An International Baccalaureate program, challenging students to excel in their studies and encouraging both personal and academic achievement. Shortridge also specializes in the arts (including instrumental, choral, visual and performance) with practical, real-world approaches to learning.
- Students have the opportunity to become active, compassionate and lifelong learners in order to create a better and more peaceful world through intercultural understanding and respect.
- An on-site Future Center, which assists students in setting and obtaining postsecondary goals through mentorships with community, collegiate and military partners.

Thrival Indy Academy

4825 N. Arlington Ave., Indianapolis, IN 46226

- Humanities-focused high school that offers students a free study-abroad opportunity. Exposes students to diverse global perspectives through experiential learning and identity exploration in order to incubate educated global citizens and passionate community leaders.
- Prepares Indianapolis youth for postsecondary success and equips them with the tools to impact positive change in their local community.
- Students are immersed in subjects such as Citizenship & Civics; Government; and Current Problems, Issues and Events in order to learn how to be civically engaged leaders.
